Audit Course

ARPG	MURP	Audit			Refer notes at **				

Note:

1. **Core course instead of elective with effect from session 2015-16.**

Core course instead of elective with effect from session 2015-16.

Students are required to choose any one elective from each group.

** Audit Course: Audit course is a course for the student who is registered and can be taken up in any semester. The student is required to do/participate in all evaluation process (including class test and semester examination) and pass the course. However; the credit earned shall not be taken into account for calculation of the CGPA. Any student may opt for audit course out of the courses mentioned under elective (which has not been offered in their semester).
