Sir/Madam,

We thank you for Signing of NAD Service Legal Agreement (SLA) With NSDL Database Management Limited (NDML) and for upload of awards in NAD through NDML.

As already informed it now becomes important for your institution to inform your students to register on NAD on Link <https://nad.ndml.in/NAD/newStudentRegistrationScreen.html> and collect their NAD Account ID's to link with their awards so that the respective students will be able to access/view their academic records uploaded by you linked with their NAD Account ID after login to their NAD accounts. The awards uploaded by your institution and linked with student NAD account ID can also be verified online by verifiers, employers and background verification agencies registered on NAD. Such academic awards can also be shared electronically through NAD by your students with above mentioned registered entities on NAD.

In case of any assistance or any clarifications please call us on 022-49142564/2599/2593/2673/2560/2596/2558.

It is system generated email please ignore if you have already replied on this mail.

Thanks & Regards,

Megha Pawar
